

Genesian Players Boosters Club

Membership Form 2011-2012

The Genesian Booster Club (GBC) was formed to help off-set many expenses that exceed the Genesian Players' budget. The GBC leans heavily on the parents and friends of the Genesian Players to raise funds to help the Players. There are many ways you can help the Rummel Genesian Players. One the best ways is by becoming a Genesian Booster Club Member. Please consider one of the membership levels below, knowing that your contribution will further the education and development of character of all students involved with the Rummel Genesian Players.

___ Patron \$25

___ Silver \$75
